

Hotel Rack

Hotel Rack, 21 Capacity, Side Grip: Universal

\$1,375.00

Hotel Racks are designed to store microplates for at-will retrieval.

Each Hotel Rack is compatible with various Peak Docking Station and Carousel products.

Hotel Racks are designed for quick access to load / unload media.

The Hotel Rack Universal stores microplates in both Landscape and Portrait orientation eliminating the need for re-grip nests for faster processing.

Shelves are easily removed for increased or strategic spacing between shelves (Pitch).
